

CLIENT ADVISORY SERVICES ASSOCIATE

At Mowery & Schoenfeld, you will work directly with business owners and go beyond accounting work as you observe their current policies and procedures and offer key advice for improvement.

As a full-time Client Advisory Services (CAS) Associate, you will:

- Gain experience with developing, implementing, and managing client accounting systems and processes, often in cloud-based programs
- Assist with critical functions, such as internal financial reporting, budgeting, payroll and state sales tax compliance and filings
- Work closely with Senior Associates and Managers on a variety of outsourced accounting or transaction projects, receiving guidance and feedback throughout
- Have our support to complete your CPA study program to pass your exams

We offer growth opportunities with a local firm culture. Our Associates work on challenging engagements that provide the exposure they need to progress in their careers. We want to be the place you start and stay.
