

JOB SHADOW

As a student, the most enlightening experiences you can pursue are those offering insight into the career options you will have post-graduation. Our two-day Job Shadow program is designed to provide early, real-life exposure to the accounting profession.

Your time with us will consist of:

- Insights into opportunities in Public Accounting, Industry Accounting, and Wealth Management* for accounting students
- A Meet and Greet panel with partners from each of our major service groups, including Assurance, Tax, and Accounting
- Lunch with fellow shadows and our recent graduates
- Individual 30-minute sessions with an Assurance, Tax, and Accounting Associate
- Resumé coaching workshop with Human Resources and Recruiting Managers

*as available

SEPTEMBER

Apply for selection online as available or at career fairs through an M&S representative

WHY YOU SHOULD CONSIDER M&S

Compensation and Benefits

We offer a competitive salary with opportunity for bonus; dental, vision, and health insurance with HSA; 401(k) plan with match—and more!

Unlimited PTO

When we say “Unlimited PTO”, we mean unlimited! At M&S, we recognize the need for downtime and flexibility.

Firm Culture

With regular firm events, summer volunteer days, and company parties, there is never a shortage of opportunities to make memories.

Hybrid Work

You will be able to work with your manager to create an in-office, remote, or hybrid schedule that works for you and your team.

Best Place to Work

Crain's Chicago Business, Accounting Today, and Daily Herald recognized our Firm as one of the top places to work.
